PE Subject Report Ofsted 2023

'Many pupils across key stages 1 and 2 were **not secure** in FMS. These skills were often **not targeted explicitly** and **consistently** enough in lessons. As a result, pupils were **not given enough opportunities to refine** their FMS. This made it **difficult for them to learn more complex knowledge** in the PE curriculum which mean that **they struggled to achieve the intended outcomes** of the curriculum by the end of primary school.'
