

Ofsted P.E. Deep Dive Potential Questions

It's not just about the knowledge and skills that the children retain. It's about your role as subject leader and your knowledge of the entire curriculum for your subject from Early Years to Year 6.

Use the boxes to write out some answers to each question. This will provide you with areas you feel are strong in your school and area or aspects of P.E. that you may need to improve or find more evidence for.

What would you expect to see in a typical P.E. lesson?

How is your curriculum coverage progressive throughout the school?

How do you ensure National Curriculum coverage across all year groups?

How does the learning in EYFS link into KS1 and then KS1 to KS2

What schemes, if any, do you follow?

How do you ensure that all teachers build on children's prior knowledge if a topic is repeated?

How do children make progress within each lesson?

How do Staff differentiate in your subject?

Is your Curriculum holistic and develop non-physical skills?

What CPD have Staff had in P.E.

What do Staff think of your subject?

What do children think of your subject?

What links are there between your subject and the rest of the curriculum?

How do you monitor your subject?

What resources do you have?

How do you use the community, trips, visitors in your subject?

How do you support new staff?

What's on your action plan this year? Why?

What are the strengths/ areas for development in your subject?

How do you track and ensure progress is made in specific groups? (SEND/PP/FSM etc)
